DETAILED ACTION

1. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Claims 56-63 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

See MPEP § 1414.01.

Furthermore, the amendment filed 11/12/03 is non-compliant and the amendment filed 8/28/06 is non-compliant because deletions are improperly shown with strike-through (rather than bracketing). See MPEP 1453 for details. Please provide for a complete claim listing of all claims with proper claim identifiers and in compliance with 37 CFR 1.173.
